4CH

1080 HD MOBILE DVR

* Delayed shutdown

* 3G Remote monitoring

* GPS positioning

Remote monitoring

When the machine is working normally, you can watch the surveillance video anytime, anywhere on your computer or mobile phone, which is very convenient.

- ▶ On computer:
Enter website "157.122.97.214:88/808gps/login.html" ,
enter the account and password login
- ▶ On mobile phone:
Download application named "CMSV6" ,
enter the account and password login

Delayed shutdown

In case of unexpected conditions, the machine delays about 10 seconds to shut down, to store the video.

Car accident

The super capacitor power the machine for 10 seconds
